An addendum to the above plea

I Would like to add the Following

Statement, It was my belief ‘ that as an

American citizen’ I had the right to

run for the office of, U.S. President but

as my so-called representatives in

both State and U.S. Government have

demonstrated, according to their belief

I have no such right, at all .

Once again, they have stripped me of

constitutional dignity. If our constitution does not uphold the

rights of all citizens,’ as it espouses’ than what good is it. This

is the question, that ‘each citizen must ask themselves’who are

they serving, if they are’ not ‘serving the people.

Your Honor I honestly don’t know ‘why

I bother to continue to believe in our

Country’s professed teachings

for as a citizen whenever I have tried to avail myself of any of these rights that continue to be proclaimed through out the world, as Inevitable rights of a free society, I have always been deprived of these so-called constitutional rights, whether by the Law establishment or by the representatives of our political parties ' It Is truly a mockery of all the Principles that we Americans profess to abide by'. If this, mockery is allowed to continue on unchallenged, than count me as a revolutionary who will not tolerate such un-American practice.' because that would add shame to those heroic hero's who sacrificed their lives' in the defense of our Liberty's.

Your Honor

In My Submission of the Three Video

Tapes that I had submitted In my fourth

Court entry, I Thought that I Clarified

My contention, once again let me

reinstate my position first I did run for

the Democratic Nomination back in 1988

2nd I was Dreadfully treated by the system

for performing what I believed to be my

patriotic duty. Evidently their were some

who believed it was not.

That does not give them the right or the

authority to humiliate my efforts by

rejecting to treat my candidacy with an

equal status of fairness as they have

afforded all of the other candidates

they have Humiliated me in my past

**election attempts, which have gone
unnoticed by the U.S. District court.**

**3rd It may sound like I am tooting my
own horn but it is the only way that this
candidate of limited education and
funding can describe the treatment that I
received by this un-American group of
Intellectual Snobs who have no Idea of
what a poor deprived citizen must go
through to achieve his or her goals. As a
Candidate who ran in five prior elections
and as a candidate who solicited his own
Signatures in each of those Elections
With the acceptance of ten partially filled
nomination papers, back in the 1976
General Election, by a few children in
Charlestown, Somerville and East Boston.**

**And as a candidate who never accepted
Any funding from any citizen to pursue
his political ambition, and as a candidate
who ran against political giants such as
the Congressman Thomas Tip O'neill
Just before he became the speaker of the
U.S. House, as Wm. Barnstead, and Ted
Kahian also did in the 1976 General
Election back when I received a total
count of 8,233 votes spending Less than a
couple of hundred dollars on my whole
campaign. If you think that those votes
meant nothing, Think about this.**

**John Quincy Adams one of our Nations
Founding Fathers who was elected to
office in that same 8th Congressional
District race with only 3,000 or so votes
I had absolutely no poll-workers and no**

**poll- observers to insure the accuracy of
my votes counted. Yet not a word about
my total count was published, if that is
not considered unjust treatment by the
Secretary of states office, than what is?**

**4th I mentioned that I once knew a
candidate who ran against our U.S.**

**Senator Edward M Kennedy, His Name
was Chester Rudnicky of East Boston,
Mr Rudnicky attempted to run in the
U.S. Senate primary Race and he
was also mooted. But the court went on
to place his name on the ballot in the
General Election.**

**So now' I ' am asking the court to place
my name on the ballot in the 2004
General Election as I thought I had
previously asked, when first filing**

**The court aids had previously
expressed to me that the Judge would
consider the fact that I am not an
attorney and that I am a Prose Plaintiff
representing himself and that I would
receive a fair and Just hearing by a jury
of my peers, I know that my first
injunction was filed for your
consideration' on the Democrat State
Presidential primary ballot' but how was
I to know that the State Secretary and the
Chairman of the Democrat Party would
drag their feet, causing my time to be
mooted, After all I did notify the Election
office clerks back in late September 2003
and if it was any earlier how then can it
be a case of being moot on my part, I was**

not the one dragging his Feet.
